Hi Sarah,

Yes, same interpretation as the request to the Region. Sorry that I didn't note the need to clarify both when we last spoke.

Subject: FOIA Request Received by EPA HQ

Karyllan,

Region 2 recently learned that EPA HQ received a FOIA request from KL Gates, seeking NRRB documents with language that parallels the language in FOIA EPA-R2-2013-007419. Should HQ interpret this to mean that KL Gates is seeking the NRRB comments themselves (as opposed to ancillary documents such as notes and emails relating to the comments)?

Thanks,

Sarah
